Summary

B.Tech Information Technology student and 3x national hackathon finalist with hands-on experience building full-stack applications, AI-powered systems, and data-driven solutions. Proficient in Python, FastAPI, React, SQL, machine learning, and generative AI, with experience developing production-oriented projects and automated data workflows.

Technical Skills

Languages: Python, JavaScript, SQL, HTML5, CSS3
Frameworks & Web: React.js, Django, FastAPI, Node.js, Express.js
AI, ML & Data: Pandas, NumPy, Scikit-learn, Google GenAI
Databases & Cloud: PostgreSQL, MongoDB
Tools: Git, GitHub, Jupyter.

Experience

Elevance Skills | *NumPy, Pandas, Matplotlib, Seaborn, Plotly, Streamlit*

Data Analysis Intern

May 2026 – June 2026

– Cleaned and analyzed operational data, building Pandas/Streamlit dashboards to visualize trends and surface key insights for the team.

Cognifyz Technologies | *NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn*

Data Science Intern

April 2025 – May 2025

– Cleaned and preprocessed large-scale datasets, engineered features, and trained/cross-validated predictive models in Scikit-learn, achieving 85% accuracy.

Projects

DocuMind | *React, FastAPI, CrewAI, GenAI*

June 2026 – Present

– Built a 2-agent AI pipeline using CrewAI and Google Gemini for automated document analysis and structured report generation.
– Designed a Django + FastAPI architecture with PostgreSQL/pgvector, object storage, asynchronous processing.

DAO Browser | *Chromium, Electron, Flask, NLTK*

Feb 2026 – May 2026

– Built a Chromium-based desktop browser with an AI-powered article summarizer (Flask, NLTK/Sumy LSA).
– Implemented privacy features (ad/tracker/NSFW blocking) along with Focus Mode and Exam Mode lockdown systems.

Education

Charotar University of Science and Technology (CHARUSAT)

Anand, Gujarat

Bachelor of Technology in Information Technology (CGPA: 7.14/10.00)

July 2024 – Present

D A Degree Engineering and Technology (GTU)

Mahemdavad, Gujarat

Diploma in Computer Engineering (CGPA: 8.00/10.00)

May 2021 – June 2024

Achievements & Certifications

- **National Hackathon Finalist (3x):** Reached the national finals at Odoo x SPIT (Dec 2025), Odoo x CGC Mohali (Aug 2025), and Odoo x GVP (Mar 2025).
- **FreeCodeCamp Python Certification:** Demonstrated proficiency in Python programming, problem solving, data structures, and algorithmic concepts through freeCodeCamp's Python curriculum.
- **IBM Machine Learning Professional Certificate:** Applied ML algorithms, data preprocessing, and predictive modeling.
- **AWS Cloud Development Certification:** Cloud computing fundamentals and application deployment.
